## Key Data Germany 2011 (Page 4 of 4)

### Notes:

---

1. East Germany = new federal states and Berlin; West Germany = former federal territory excluding West Berlin
2. Classification of Economic Activities, Edition 2008 (WZ 2008)
3. Service industry: trade, transport and telecommunications, and other areas of economic activity (incl. credit and loan business, business services, public administration, public and private services)
4. Freelancers and assisting family members
5. Labour force participation rate for the 15- under 65-year age group, according to ILO-concept (employed + unemployed persons)
6. Sum of part-time employees, temporary agency workers and marginal employees
7. Work opportunities with an allowance (so called "additional jobs")
8. Share of employees' remuneration in the national income, minus effects resulting from changes in the employment structure. The labour share is calculated keeping total employment fixed at its level in 2010.
9. Employee earnings in manufacturing, retail, credit and insurance; blue-collar workers in manufacturing (incl. extraordinary payments); West incl. Berlin, East without Berlin
10. Pension insurance for white- and blue-collar workers; average pension contribution of those insured; pension age – 1st January
11. West Germany, incl. West Berlin
12. East Germany, incl. East Berlin
13. without data from authorised municipal institutions
14. Number of unemployed in %, based on employees
15. For single persons
16. Recipients of Unemployment Benefit II, and social welfare recipients, as a share of the population on 31.12.2010
17. Percentage of the population of the same age group, on 31.12.2010
18. In 2011, the earnings ceiling for social insurance contribution was 5,500 Euro per month in West-Germany and 4,800 Euro in East-Germany (unemployment and pension insurance); employees have to pay a special contribution of 0.9% to health insurance
19. Employees except marginal employees, apprentices, and employees on parental leave or in the passive phase of partial retirement
20. Share of employees with fixed-term employment contracts; excluding apprentices
21. In 2008 five so called European Companies (societas Europea) are included which have supervisory boards with equal representation of shareholders and employees but do not fall under the 1976 Co-Determination Act
22. The sum of individual expenditure subitems exceeds total expenditure due to payments on the same level
23. Period 2003 - 2005: extraordinary federal state assets
24. From 2006 time comparison slightly distorted by changed statistical measurements
25. Number of apprenticeship training positions per 100 applicants
26. excluding foreign trade balance for electricity
27. Proportion of people receiving unemployment benefit II or social benefits in the total population on 31.12.2010
28. Population below poverty level after social transfers; the poverty level is defined as 60% of national median equivalent income; EU25
29. Aged between 15 and 64 years
30. Annual average; aged between 15 and 64 years
31. PPS = Purchasing Power Standard, EU27 = 100

### Note:

The data referred to is partly in rounded up figures. The amount of change against the basis or previous year's figures is based on the exact original figures. This explains the minimal variance between printed data and the changes referred to. As a rule, the 'territorial boundary east' refers to the new states and Berlin and 'west' refers to the former federal territory excluding Berlin. Any varying territorial boundaries are indicated by footnotes.

### Abbreviations:

GDP	Gross Domestic Product
CGB	Christian Trade Union
DBB	German Union of Career Civil Servants
DGB	Confederation of German Trade Unions
