

To meet the rising interest in alternative, and especially Keynesian, economics, the **Research Network Macroeconomics and Macroeconomic Policies (FMM)** organises an

Introductory workshop on heterodox economics
Thursday, 24 October 2013
9.00 am – 3.30 pm

The workshop will take place on the first day of the annual conference of the network on

‘The State of Economics after the Crisis’

25 – 27 October 2012, Berlin.

The workshop is directed to graduate students and young researchers. There are **no fees but registration is required**. Registration forms are available online (http://www.boeckler.de/4990_42480.htm).
