

The Sustainable Company and its concerns for labour

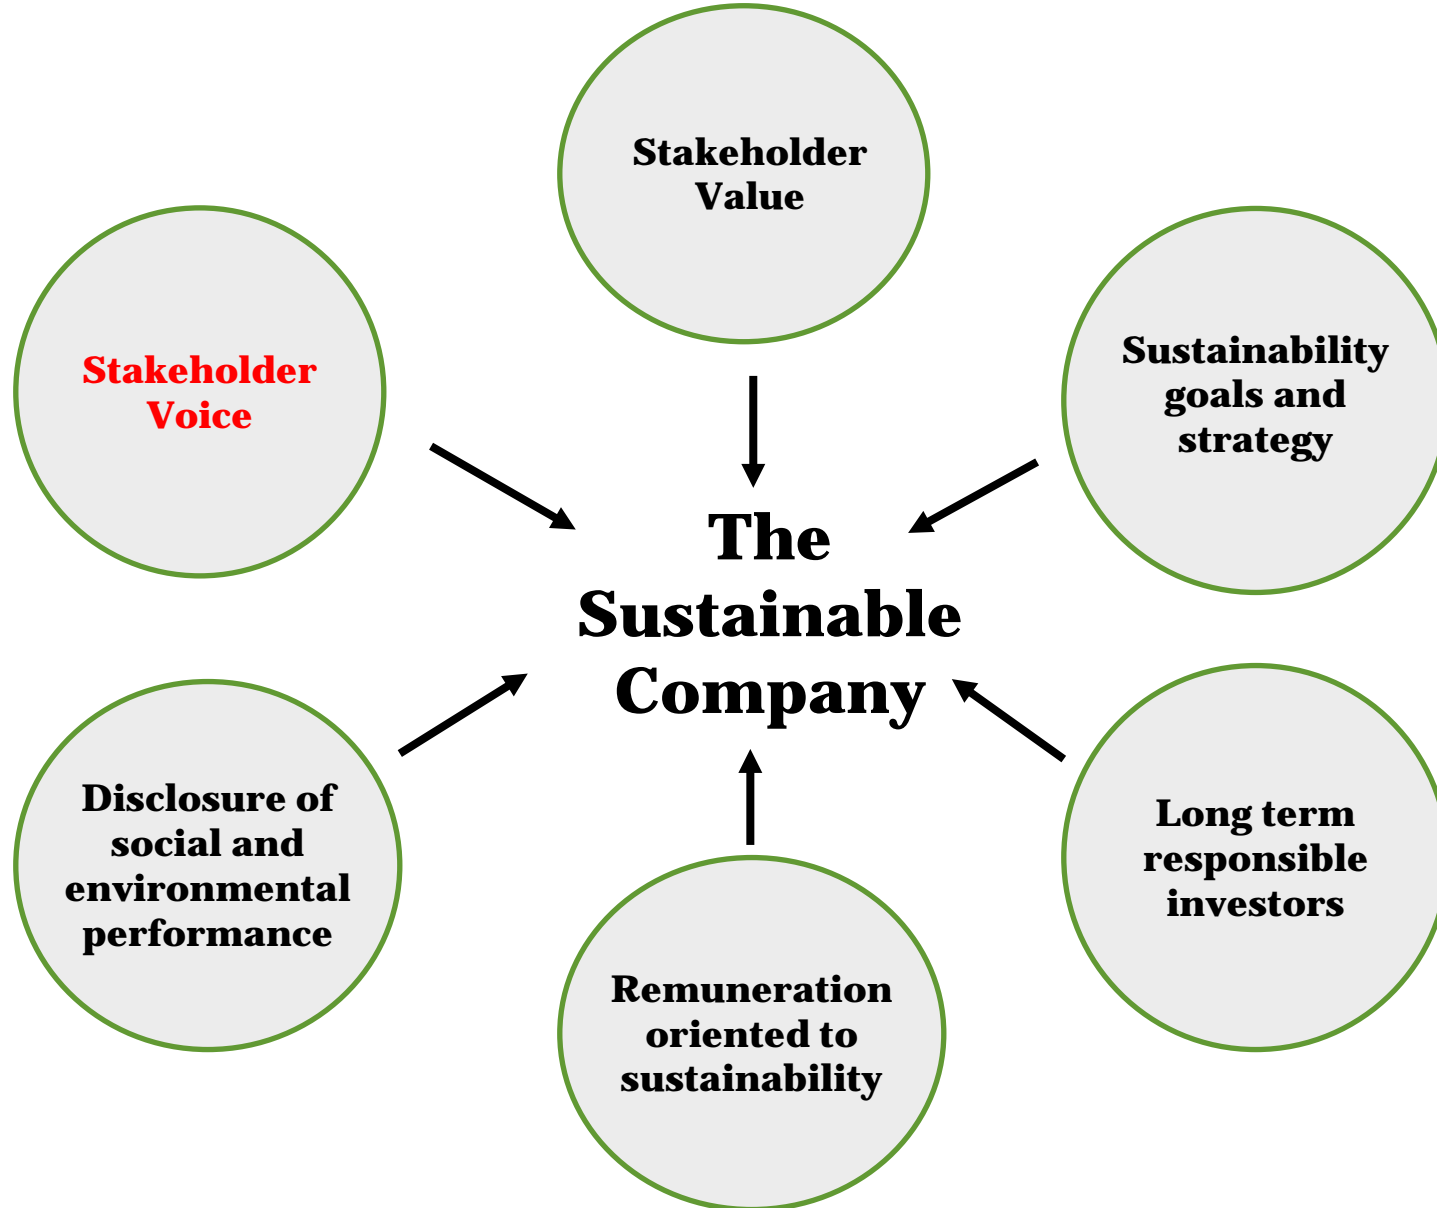

Anne-Marie Kortas, WZB

Presentation at the **European Dialogue 2015**

Prosperity in Europe*

***only if we stop the growing inequality**

Brussels, 16th-17th April 2015

Concern for labour

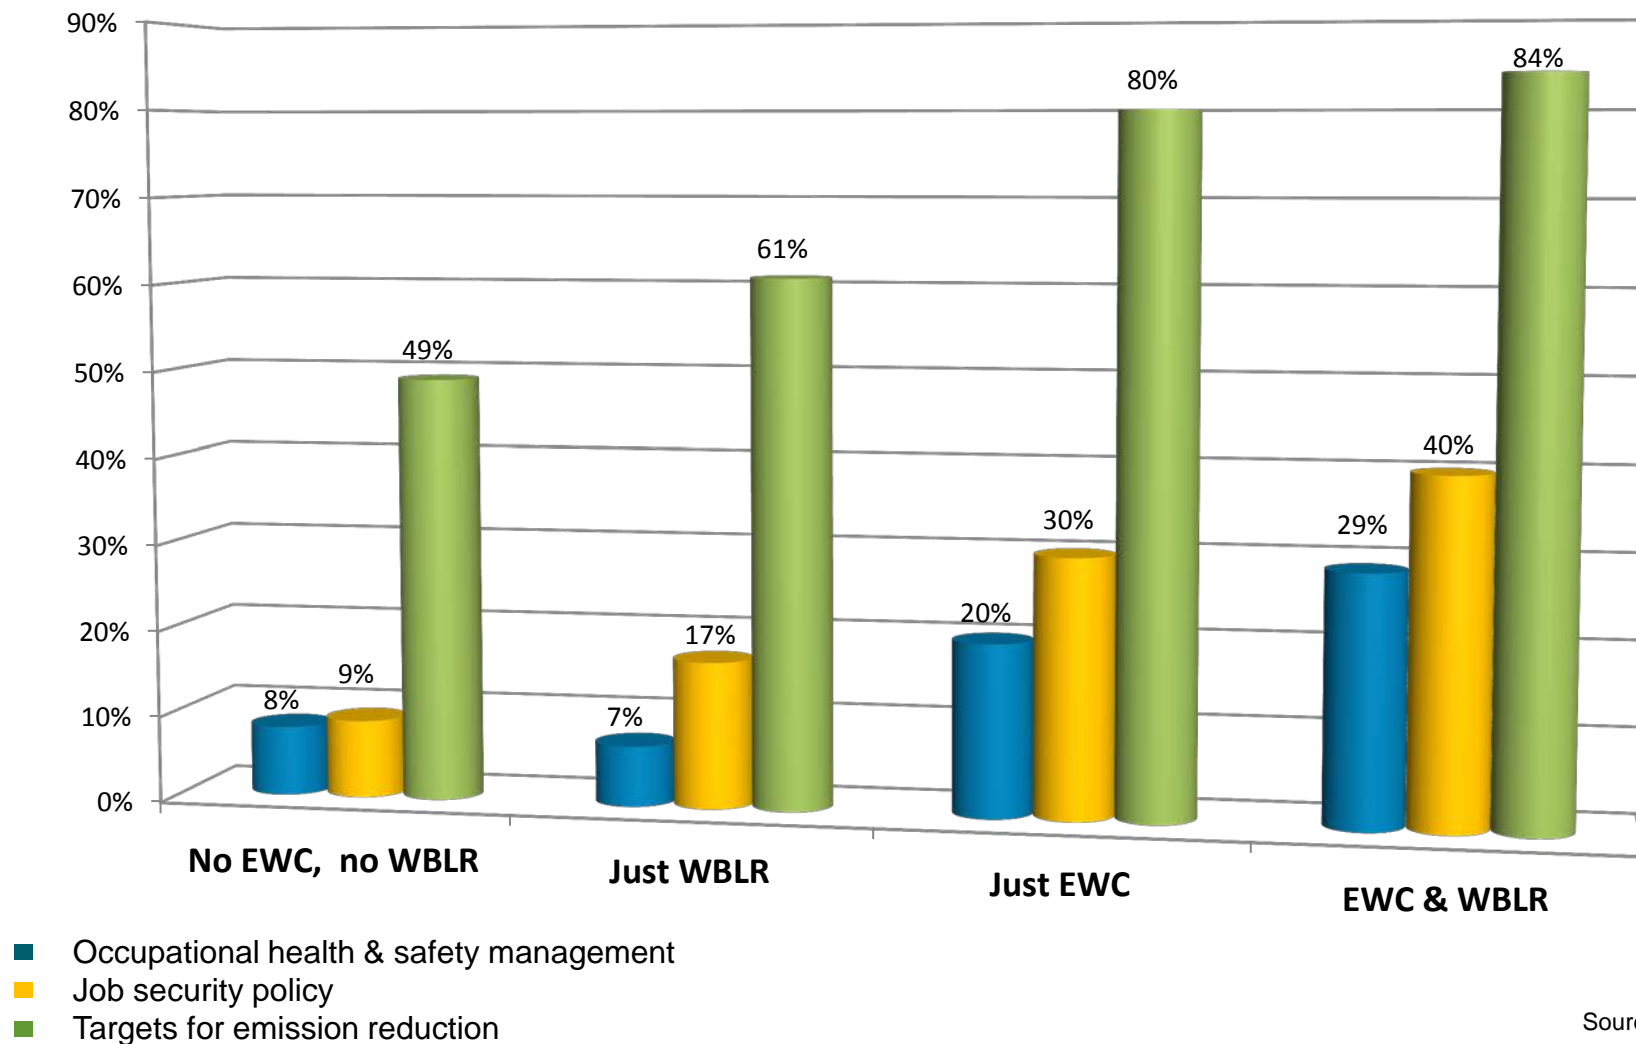

- Sustainable company shows its concern for social, ecological & financial sustainability
- Related to labour, a sustainable company should:
 - Invest in R&D
 - Guarantee Fair wages & adequate working standards
 - Create a Long-term stability of the firm

Worker Participation

Worker Participation & Sustainability

Companies with Sustainability Policies (2012)
